

Sub Firm #	BR Code	FA Code	Account Number
------------	---------	---------	----------------

This will serve as authorization to participate in the Statement Linking program to mail all eligible First Clearing account statements in one envelope.

Terms & Conditions

All accounts linked for statement purposes will be delivered along with the "Primary Account" by mail or electronically (online) if enrolled. A common postal address is required.

To remove an account from the Statement Linking Service, please send written notification to your Financial Advisor. All statements linked by means of this form will remain linked until we receive written notification from any account owner to sever the link - or until the mailing address of one or more of the accounts is changed. Individual statement delivery will begin within 90 days of separation.

Please note that electronic delivery enrollment will provide anyone with online access to any of the linked accounts with the ability to view any and all statements within that linked service. Only "Primary Account" owners may enroll the statement household for electronic delivery.

Electronic delivery (email delivery) will result in you no longer receiving your monthly accounts statements by mail.
